DDS&T Briefings for [REDACTED]

STATINTL

STATINTL

[REDACTED] O/PPB, has requested that a new member of their Office, [REDACTED] be given a series of briefings in DDS&T as soon as possible. I gather that timeliness is more important than getting top-level briefings from the Office Directors. If there is not a new group being formed for the periodic briefings in DDS&T, then perhaps, we might want to set up individual briefings [REDACTED]

Would you please call [REDACTED] this morning and give him some idea which plan you intend to follow for setting up these briefings.
